CUENTOS

A photograph showing two children sitting at a white table, engaged in a clay modeling activity. They are creating a rectangular face with a white center. The face's outline and features are formed by rolling out and flattening pieces of orange, blue, and green clay. The child on the left is wearing an orange long-sleeved shirt, and the child on the right is wearing a pink long-sleeved shirt. To the right of the clay work is a clear plastic container filled with blue clay. The word 'MODELADO' is printed in a white box at the bottom left of the image.
